

**CAPITOL IMPROVEMENT PROGRAM**  
**2010 – 2011 (CIP)**

In order to apply for grants under the State of Connecticut Local Capitol Improvement Program, the municipality must have an approved Capitol Improvement Program. Below is a list of those items which are proper for that program.

- Project #1: Replace the Tobacco Street Bridge over the Ten Mile River. Project to include precast arch structure, road realignment, railing and paving.  
Estimated cost: \$843,000 Project to be completed in 2010-11
- Project #2: Reconstruct Leonard Bridge Road – Phase V. Project to include improving road alignment, site lines, under-drains, culverts, reclamation and repaving, including design and construction costs. This phase will complete the road.  
Estimated cost: \$200,000 Project to be completed in 2010-11
- Project #3: Replace cross culvert under Tobacco Street with new pipe structures, including design and construction costs.  
Estimated cost: \$150,000 Project to be completed in 2011-12
- Project #4: Replace existing pipes on Waterman Road over Pease Brook with concrete arch, estimate to include all labor and materials.  
Estimated cost: \$500,000 Project to be completed in 2010-11
- Project #5: Reconstruct all basins, reclamation and repaving of Bascom Road including design and construction costs.  
Estimated cost: \$750,000 Project to be completed in 2014.

Approved this 20th day of April, 2010
